WARNING! – ENGLISH

- **<u>WARNING!</u> SEVERE PERSONAL INJURY AND PROPERTY DAMAGE CAN RESULT FROM IMPROPER INSTALLATION OR ASSEMBLY. READ THE FOLLOWING WARNINGS BEFORE BEGINNING.**
- If you do not understand the instructions or have any concerns or questions, please contact a qualified installer. North America residents can contact OmniMount customer service at 800.668.6848 or info@omnimount.com.
- Do not install or assemble if the product or hardware is damaged or missing. If you require replacement parts, contact OmniMount Customer Service at 800.668.6848 or Info@omnimount.com. International customers need to contact a local distributor for assistance.
- **<u>For wall mounted products:</u>** This product has been designed for use on a vertical wall constructed of wood studs or masonry (solid concrete). Wood studs being defined as a wall consisting of a minimum of 2 x 4 inch studs with a maximum of 24 inch stud spacing and a minimum of 16 inch stud spacing with a maximum of ¾ inch of wall covering (drywall, lath, plaster). If you don't know your wall type, or for assistance with other surfaces (metal studs, solid block and brick), contact a qualified installer. For safe installation, the wall you are mounting to must support 4 times the weight of the total load. If not, the surface must be reinforced to meet this standard. The installer is responsible for verifying that the wall structure/surface and the anchors used in the installation will safely support the total load.
- This product is not designed to support the load of a CRT or flat screen television. Do not use this product for any application other than those specified by OmniMount.
- This product may contain moving parts. Use with caution.
- **DO NOT EXCEED THE MAXIMUM WEIGHT CAPACITY FOR THIS PRODUCT**.

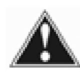

¡ADVERTENCIA! – ESPAÑOL

- **¡<u>ADVERTENCIA!</u> LA INSTALACIÓN O EL MONTAJE INAPROPIADOS PUEDEN PROVOCAR LESIONES, DAÑOS MATERIALES O INCLUSO LA MUERTE. ANTES DE COMENZAR, LEA LAS SIGUIENTES ADVERTENCIAS.**
- Si las instrucciones no le resultan claras o si tiene alguna duda o pregunta, comuníquese con un instalador calificado. Los residentes de América del Norte pueden comunicarse con el servicio de Atención al cliente de OmniMount al 800.668.6848 o por escrito a info@omnimount.com.
- Si el producto o el hardware está dañado o no se le envió alguna pieza, no realice la instalación ni el montaje. Si necesita piezas de repuesto, comuníquese con el servicio de Atención al cliente de OmniMount al 800.668.6848 o por escrito a info@omnimount.com. Los clientes internacionales deberán comunicarse con un distribuidor local para recibir asistencia.
- **<u>Produits s'installant au mur :</u>** Ce produit a été conçu pour une installation sur un mur vertical de maçonnerie (béton massif) ou construit sur une charpente en bois. Une charpente en bois est une structure murale constituée avec des pièces de colombage d'une épaisseur d'au moins 5 cm x 10 cm ayant un espacement de 41 cm à 61 cm et étant recouverte d'un revêtement d'une épaisseur d'au moins 19 mm (cloison sèche, lattes, plâtre). Si vous avez un doute sur la composition de votre mur ou si vous désirez des conseils concernant une autre surface (poutres métalliques, blocs massif et briques), contactez un installateur qualifié. Pour que l'installation soit sécuritaire, le mur d'installation doit pouvoir supporter 4 fois le poids de la charge appliquée. Si tel n'est pas le cas, la surface doit être renforcée en conséquence. L'installateur doit s'assurer que la structure/surface du mur d'installation et les chevilles d'ancrage utilisées peuvent supporter sans danger le poids de tous les équipements.
- Ce produit n'est pas conçu pour supporter le poids d'un téléviseur à écran cathodique ou à écran plat.No utilice este producto para ninguna aplicación que OmniMount no haya especificado.
- Este producto puede contener componentes móviles. Úselo con precaución.
- **NO EXCEDA LA CAPACIDAD DE PESO MÁXIMA PARA ESTE PRODUCTO.**

AVERTISSEMENT! – FRANÇAIS

- **<u>AVERTISSEMENT!</u> SI CE PRODUIT N'EST PAS CORRECTEMENT INSTALLÉ OU ASSEMBLÉ, IL RISQUE DE CAUSER DES BLESSURES GRAVES, VOIRE MORTELLES, AINSI QUE DES DOMMAGES MATÉRIELS IMPORTANTS. AVANT DE COMMENCER, LISEZ LES AVERTISSEMENTS SUIVANTS.**
- Si vous ne comprenez pas les instructions, de même que si vous avez un doute ou des questions, veuillez contacter un installateur qualifié. Les personnes qui résident en Amérique du Nord peuvent contacter le service à la clientèle OmniMount au 800.668.6848 ou à info@omnimount.com.
- Si vous découvrez que le produit est endommagé ou que des fixations sont manquantes ou endommagées, n'installez pas le produit. Si vous avez besoin de pièces de rechange, contactez le service à la clientèle OmniMount au 800.668.6848 ou à info@omnimount.com. Les clients habitant hors de l'Amérique du Nord peuvent obtenir de l'aide auprès de leur distributeur local.
- <u>Información acerca de los productos que se instalan en la pared:</u> Este producto está diseñado para ser instalado en paredes verticales con paneles de madera o mampostería (hormigón). Se define a los paneles verticales como una pared que consiste de un mínimo de paneles de 5 cm x 10 cm con un espacio entre paneles máximo de 61 cm y un espacio mínimo entre paneles de 41 cm, con un máximo de cobertura de pared (hoja de yeso, listón, yeso) de 19 mm. Si no está seguro acerca del material de su pared o si desea obtener información sobre otras superficies (paneles de metal, bloques sólidos o ladrillo), comuníquese con un instalador calificado. Para realizar una instalación segura, la pared elegida debe ser capaz de soportar 4 veces el peso de la carga total. De lo contrario, deberá reforzar la superficie para que cumpla con este requisito. El instalador es el responsable de comprobar que la estructura/superficie de la pared y los tacos que se utilizan en la instalación soporten la carga total de manera segura.
- Este producto no está diseñado para soportar la carga de un televisor CTR o de pantalla plana.
- Ce produit ne doit pas être utilisé pour un usage autre que ceux spécifiés par OmniMount.
- Ce produit peut contenir des pièces mobiles. Veuillez l'utiliser avec prudence.
- **NE DÉPASSEZ JAMAIS LA CAPACITÉ DE CHARGE MAXIMALE DE CE PRODUIT.**

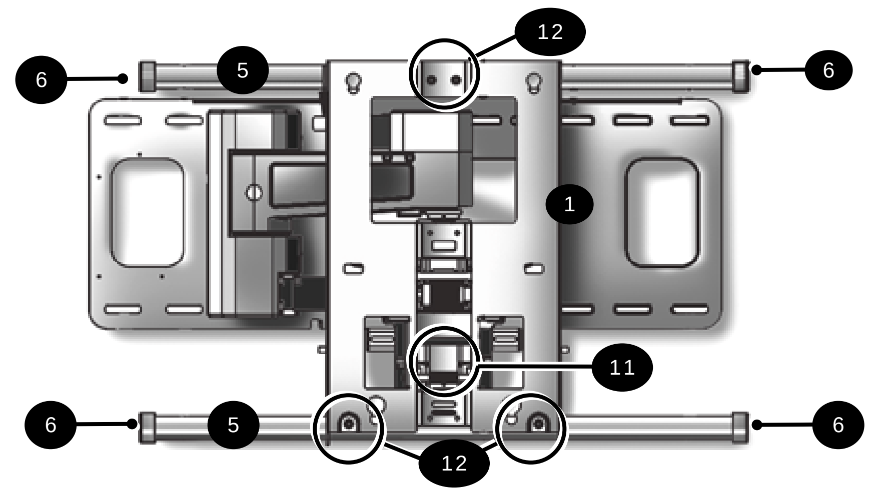

MAXIMUM WEIGHT CAPACITY MÁXIMA CAPACIDAD DE PESO CAPACITE DE CHARGE MAXIMALE	POUNDS (LBS) / KILOGRAMS (KG) LIBRAS (LB) / KILOGRAMOS (KG) LIVRES (LB) / KILOGRAMMERS (KG)	MAXIMUM SCREEN SIZE TAMAÑO DE PANTALLA MÁXIMO TAILLE D'ÉCRAN MAXIMALE

ATTENTION!

Must set WALL DETECT RIGHT first. Failure to do this may result in poor performance of Wall Mount. If set **LEFT WALL DETECT**, please use the **SETUP / RESET** to clear memory

SETUP:
Push / Collapse the Wall Mount Flat against the Wall, Press and Hold for 5 seconds to set the home position (note: this also clears all memorized commands)
RESET: Hold for 5 seconds to clear all commands and memorize HOME position.

LED LIGHT
Flashing LED: Transmitting Signal
Solid Color LED: Memory Set or Cancelled

STEP 1
WALL DETECT RIGHT
Swivel to the closest to the Wall **without** the TV touching the Wall, leave about **1" (25mm)** of space recommended, Hold down Wall Detect for 5 seconds till LED LIGHT color turns solid

STEP 2
WALL DETECT LEFT
Swivel to the closest to the Wall **without** the TV touching the Wall, leave about **1" (25mm)** of space recommended, Hold down Wall Detect for 5 seconds till LED LIGHT color turns solid

TILT UP

LEFT SWIVEL

RIGHT SWIVEL

TILT DOWN

MEMORY 1:
Hold for 5 Seconds until LED LIGHT color turns sold, memory is set
Move to another desired location and repeat above step to memorize again.

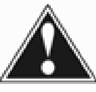

MEMORY 2:
Hold for 5 Seconds until LED LIGHT color turns sold, memory is set
Move to another desired location and repeat above step to memorize again.

HOME
This will bring the wall mount back to the wall of HOME position that user setup, if user needs to set a different Home position, please refer to SETUP button above for details.

8

ATTENTION!
Power Loss or interruption DOES NOT delete or clear the memory. User must use the SETUP / RESET button to clear memory.
If Swivel too far RIGHT or LEFT and hits / makes contact with the wall, the unit will Stop after 2 seconds.

ATENCION!
Primero, se debe establecer la DETECCIÓN DE PARED a la DERECHA. Cualquier falla que pusiera ocurrir al realizar esto, podría resultar en un escaso rendimiento del Soporte de pared. Si establece la DETECCIÓN DE PARED a la IZQUIERDA, utilice SETUP / RESET (INSTALAR / REINICIAR) para vaciar la memoria.

PASO 1 = INSTALACIÓN
Vacíe la memoria y establezca la posición cero. Empuje y apoye la parte plana del soporte contra la pared a 0 grados. Presione y mantenga presionado por 5 segundos para establecer a la posición cero (nota: Esto también vacía todos los comandos memorizados).

LUZ DEL LED
LED intermitente: Transmitiendo señal
LED de color ininterrumpido: Memoria establecida o cancelada

INCLINAR HACIA ARRIBA

PASO 2 = INSTALACIÓN A LA DERECHA DEL LÍMITE DE LA PARED
Gire a la derecha hacia la parte más cercana a la pared sin que el televisor toque la pared, deje un espacio de **1" (25 mm.)** aproximadamente. Presione el Detector de pared por 5 segundos hasta que el color de la LUZ DEL LED permanezca ininterrumpido.

PASO 3 = INSTALACIÓN A LA IZQUIERDA DEL LÍMITE DE LA PARED
Gire a la izquierda hacia la parte más cercana a la pared sin que el televisor toque la pared, deje un espacio de 1" (25 mm.) aproximadamente. Presione el Detector de pared por 5 segundos hasta que el color de la LUZ DEL LED permanezca ininterrumpido.

SetUp

Home

Mem1

Mem2

OMNI MOUNT

GIRAR BASE HACIA LA IZQUIERDA

GIRAR BASE HACIA LA DERECHA

PASO 4 = MEMORIA 1 (opcional):
Gire / Incline hasta alcanzar la posición deseada y presione durante 5 segundos hasta que el color de la LUZ DEL LED permanezca ininterrumpido y la memoria esté establecida.

INCLINAR HACIA ABAJO

PASO 5 = MEMORIA 2 (opcional):
Gire / Incline hasta alcanzar la posición deseada y presione durante 5 segundos hasta que el color de la LUZ DEL LED permanezca ininterrumpido y la memoria esté establecida

CERO
Esto llevará el soporte de pared hacia la pared, hacia atrás de la posición CERO que el usuario instaló. Si el usuario necesita establecer una posición cero diferente, remítase al botón de INSTALACIÓN que figura más arriba para obtener más información.

8

ATENCION: **La pérdida o interrupción de encendido NO elimina o vacía la memoria. El usuario debe utilizar el botón de SETUP / RESET (INSTALACIÓN / REINICIO) para vaciar la memoria. Si gira demasiado hacia la DERECHA o IZQUIERDA y golpea / toca la pared, la unidad se detendrá después de 2 segundos.**

ATTENTION!
Vous devez d'abord régler la DÉTECTION DU MUR DROIT. Si vous n'y parvenez pas le support pourrait ne pas fonctionner normalement. Pour régler ensuite la DÉTECTION DU MUR GAUCHE, vous devez d'abord utiliser la fonction SETUP / RESET (RÉGLAGE / RÉINITIALISATION) pour remettre la mémoire à zéro.

ÉTAPE 1 = RÉGLAGE
Remet la mémoire et l'unité TV maison à zéro. Poussez et dépliez le support parallèlement au mur, appuyez sue le bouton et maintenez-le enfoncé pendant 5 secondes pour déterminer la position de départ. (remarque : cette action efface également tous les réglages mémorisés auparavant).

VOYANT LUMINEUX
Voyant clignotant: le signal se transmet
Voyant allumé en permanence: Vous êtes en mode de réglage de la mémoire ou d'annulation

INCLINEZ VERS LE HAUT

ÉTAPE 2 = RÉGLAGE DE DÉTECTION DU MUR DROIT
Faites pivotez l'écran vers la droite jusqu'à **25 mm du mur**. Maintenez le bouton de détection de mur pendant 5 secondes jusqu'à ce que le voyant lumineux reste allumé de manière continue

ÉTAPE 3 = RÉGLAGE DE DÉTECTION DU MUR GAUCHE
Faites pivotez l'écran vers la gauche jusqu'à 25 mm du mur. Maintenez le bouton de détection de mur pendant 5 secondes jusqu'à ce que le voyant lumineux reste allumé de manière continue

FAIRE PIVOTEZ VERS LA DROITE

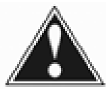

FAIRE PIVOTEZ VERS LA GAUCHE

ÉTAPE 4 = MÉMOIRE 1 (facultatif):
Pivotez / inclinez jusqu'à la position désirée puis maintenir pendant 5 secondes jusqu'à ce que le VOYANT LUMINEUX soit allumé de manière continue, la mémoire est maintenant réglée

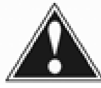

ÉTAPE 5 = MÉMOIRE 2 (facultatif):
Pivotez / inclinez jusqu'à la position désirée puis maintenir pendant 5 secondes jusqu'à ce que le VOYANT LUMINEUX soit allumé de manière continue, la mémoire est maintenant réglée

INCLINEZ VERS LE BAS

POSITION DE DÉPART
Cette fonction ramène le support mural à la position de départ que vous avez déjà choisie, si vous désirez la changer, veuillez consulter les instructions détaillées de la fonction de RÉGLAGE décrites plus haut.

ATTENTION: **La mémoire n'est pas affectée par les pannes ou les interruptions de courant électrique. Vous devez utiliser le bouton SETUP / RESET (RÉGLAGE / RÉINITIALISATION) pour remettre la mémoire à zéro. Si l'écran pivote trop vers la GAUCHE ou la DROITE et se cogne ou entre en contact avec le mur, il s'arrêtera de lui-même au bout de 2 secondes.**

TROUBLE SHOOTING

- Trouble Shooting
  - Unit Must be Level. If not level, TV will lean on one side and Operation Speed will be irregular. Longevity of mount use will be greatly reduced from not properly leveling the wall plate.

- Wall Screws and Mounting Location
  - Wood Stud: Wall Mount Must have at least 4 Wall Point Location Mounted. **Any Wood Stud Installation Greater than 16" Wide Must use a Dry Wall Anchor (Not Included) in the (B-Left) mounting Section -** Refer to the Wall Template for additional Information.

- Spring Tension
  - If the Tilt function is non-operational on your mount, check the depth of your TV. If the depth is less then 6 cm it is considered a Slim TV, and the Spring Tension screws must be removed (See page 15).

- Communication / IR / Power Cord
  - The Power Cord must be installed last after you have already installed the Communication IR cable or RS 232 (Not Included). Installation order should be: IR Receiver or RS232 (Not Included) then Power Cord.

- Initial Setup
  - User must set up the Right and Left Swivels Limits. User must setup the Right side FIRST before setting up the Left Side.

OMNIMOUNT PRODUCT WARRANTY

ENGLISH

- This warranty applies to US Residents who purchase from an authorized OmniMount Dealer. OmniMount products are covered against defects in materials and workmanship for **1 years.** OmniMount will repair or replace the defective component or product, at its sole discretion.
- To obtain warranty service, contact OmniMount customer service at 800.MOUNT.IT (800.668.6848) or info@omnimount.com. You must supply a copy of your original receipt. If your product must be shipped to OmniMount for inspection, you will be responsible for the shipping charges. Replacement product shipped to you will be returned freight pre-paid.
- OmniMount disclaims any liability for modifications, improper installations, or installations over the specified weight range. To the maximum extent permitted by law, OmniMount disclaims any other warranties, expressed or implied, including warranties of fitness for a particular purpose and warranties of merchantability. OmniMount will not be liable for any damages arising out of the use of, or inability to use, OmniMount products. OmniMount bears no responsibility for incidental or consequential damages. This includes, but is not limited to, any labor charges for the repair of OmniMount products performed by anyone other than OmniMount.
- This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.
- Specifications are subject to change without prior notice.

ESPAÑOL

- Esta garantía tiene validez para los residentes estadounidenses que hayan realizado la compra en un distribuidor autorizado de OmniMount. Esta garantía cubre los productos OmniMount de los defectos de materiales y de mano de obra por un periodo de **1 años.** OmniMount, a su exclusivo criterio, reparará o reemplazará el producto o componente defectuoso.
- Para obtener el servicio de garantía, comuníquese con el servicio de Atención al cliente de OmniMount. Llame al 800. MOUNT.IT (800.668.6848) o escríbanos a info@omnimount.com. Deberá proporcionar el recibo original. Si fuera necesario enviar el producto a OmniMount para revisarlo, los gastos de envío correrán por su cuenta. El producto de reemplazo que se le envíe se le devolverá con los gastos de envío pagos.
- OmniMount no se hace responsable de modificaciones, instalaciones inadecuadas o instalaciones que superen el rango de peso especificado. En la medida en que la ley lo permita, OmniMount no se hace responsable de ninguna otra garantía, expresa o implícita, incluso las garantías de aptitud para un fin determinado o de comercialización. OmniMount no se hace responsable de ningún tipo de daños causados por el uso de los productos OmniMount o por el uso inapropiado de dichos productos. OmniMount no es responsable de los daños incidentales o emergentes. Dentro de éstos se incluyen todo tipo de gastos que pudieran surgir de las reparaciones de productos OmniMount que no se hayan realizado en OmniMount.
- Esta garantía le otorga derechos legales específicos. Es posible que además tenga otros derechos que varían según el estado.
- Las especificaciones están sujetas a cambios sin previo aviso.

FRANÇAIS

- Cette garantie s'applique aux résidents des États-Unis qui achètent un produit OmniMount auprès d'un détaillant OmniMount autorisé. Les produits OmniMount sont garantis **1 ans** contre les défauts de matériaux et de fabrication. OmniMount se chargera de réparer ou remplacer, à son entière discrétion, tout produit qui s'avérera défectueux.
- Pour obtenir une réparation sous garantie, contactez le service à la clientèle OmniMount au 800.MOUNT.IT (800.668.6848) ou à info@omnimount.com. Vous devrez fournir une copie de votre reçu d'achat original. Si votre produit doit être expédié à un centre de réparation OmniMount pour y être inspecté, vous devrez payer les frais de port. Le produit de remplacement vous sera envoyé en port payé.
- OmniMount rejette toute responsabilité relativement à quelque problème pouvant être associé à une modification d'un produit, à une mauvaise installation ou à une installation ne respectant pas les limites de charge. Sous réserve des lois en vigueur, OmniMount réfute toute autre garantie expresse ou implicite, notamment toute garantie de commercialisation ou de convenance à un usage quelconque. OmniMount réfute toute responsabilité pour des dommages résultant de l'utilisation ou de l'impossibilité d'utiliser des produits OmniMount. OmniMount réfute également toute responsabilité pour quelque dommage accessoire ou indirect. Ceci s'applique notamment aux frais de main d'œuvre pour la réparation de produits OmniMount par une personne ne travaillant pas pour OmniMount.
- Cette garantie vous accorde des droits juridiques spécifiques, mais il est possible que vous ayez également d'autres droits selon votre lieu de résidence.
- Les spécifications sont susceptibles d'être modifiées sans préavis.
